

PhD School in Life and Health Sciences
Doctoral Program in Biomolecular Medicine

PhD Course

Calorimetry in Biomedicine

March 21-22, 2016

PROGRAM

March, 21

11:00-11:10

Welcome

11:10-12:4

Basics in biocalorimetry: information that you may have and troubles you may encounter

Prof. Franco Dallochio

University of Ferrara, Italy

12:40

Lunch

14:00-15:30

Biomacromolecular stability and interactions studied by calorimetric methods

Dr. Angel L. Pey

University of Granada, Spain

15:30-17:00

Cooperative Learning on selected papers

20:00

Course Pizza

March, 22

10:00-11:30 **Applications of Biocalorimetry**
Dr. Angel L. Pey
University of Granada, Spain

11:30-12:30 Round table

Registration by e-mail (deadline March, 17) to
mita.bertoldi@univr.it or barbara.cellini@univr.it
