University of Verona, Italy

Tocati – International Festival of Games in the Street comes back from the 15th to the 18th September 2022

It is our great pleasure to inform you that during the “*OUTDOOR SPORTS AND LEISURE ACTIVITIES*” Summer School 2022 we will take part in the celebration of the *20th edition of Tocati – International Festival of Games in the Street*: games, music and traditional dances from different part of the whole world are going to take part in (Catalunya, Iran, the Canary Islands and Mexico). This is a great festival, a place of encounter and cultural exchange in the *historical centre of Verona*.

This event fits perfectly into the theme of Summer School and makes it even more intense and attractive.

During the Summer School we will participate at:

1. The 20th anniversary event of Tocati at the Roman Theatre (on September 16th, 9pm);
2. Morning guided tour through multiple significant experiences (on September 17th);
3. Afternoon tour of outdoor activities of several European universities that will be involved in an impact assessment study, through quaternaries and observations of some proposals (on September 17th).
